Report from Dressing Room

MICHIGAN

COACH BO SCHEMBECHLER

"What can I say? I'm surprised we didn't do better. We did a terrible job of defense.

"How many yards did they get rushing? 348? That's terrible. You can't win that way.

"We stopped Highsmith late in the game with good, old fashion defense, the way we should have done it the whole game.

"We just didn't play well. I never thought we would be held to 10 points."

On safety against Michigan. "The fact that Doughty is a sophomore is the only excuse. He's a young kid.

"We didn't throw much early because the wind was bad...the wind swirled. It was not a passing field. It wouldn't have made much difference the way we were catching the ball.

"State's two running backs and line did a good job.

"We passed late because we had to score twice. We were playing against the clock.

"I was surprised they gave us the ball at the start of the second half, especially the way they were moving the ball. I guess the strategy worked though. They won.

"Couple of our boys were hurt but I don't they were bad."

MICHIGAN STATE

Coach Duffy Daugherty

"It was a very typical Michigan-MSU game -- both teams were hitting very hard. We've always felt that the U-II game was our No. 1 game each season."

"I was pleased with the way our team took off offensively in the first half. It might have put Michigan out of the game if we had scored at the end of the half instead of being stopped on the one."

"The wind was a big factor. It was difficult to pass against it. When Michigan was going against the wind, we tightened things up on them."

"We awarded the offensive game ball to Bill Triplett. The defensive game ball went to coach Hank Bullough."
