TOUCHDOWN SAVES

MICHIGAN		NORTHWESTERN	
B. ELLIOTT, & M. TAYLOR-B. ELLIOTT (same play)		BROWN.	

"It was unfortunate in the first quarter that we didn't score. We had great field goal position, but we didn't score. After they scored their first touchdown, we wanted to enter the second half ~~by~~ receiving although we were going against the wind. Hopefully, we could have held them scoreless and enter the fourth quarter behind 7-0 and still be in the game. However, it didn't work out that way."

Referring to the freak blocked field goal attempt, that Michigan recovered for a touchdown, "I don't blame the kid....it was just a instantaneous reaction."

"I have never seen that happen before."

"Defensively, we played good, especially considering the taxing ~~effort~~ load that was placed on them in the second half."

"~~Our~~ offensive line play was ~~amazing~~ encouraging, especially against a great Michigan defense."

"When it was fourth and two in the first quarter, we thought they signaled 1 yard to go for the first down. Otherwise, we would have gone for the field goal."

"The inability to score in the first quarter and that freakish ~~xxxx~~ play in the third quarter really hurt us."

"Scoring when inside the 20 comes with more game experience."

"Michigan's a ~~great~~ good football team. ~~xxxxxx~~ Both teams were a little ragged, but we just made more crucial ~~mistakes~~ mistakes."

Bo Schenboehler--It was no master piece but effective.

All of us know it was alive but it was covered before we could even yell at our players. Our players are taught to cover any ball, I don't give a damn what it is. One of the officials was aware, thank God, that it was a touchdown.

Those were two damn good teams out there today. It's tough to get ready for a game like this in just three weeks.

Rather was very effective today and I think Shuttlesworth did get things going. He punched out a few first downs against a sturdy defense.

I hope Northwestern is a second place team but it's too early to tell. I know I wouldn't count them out and I'm sure Alex won't either.

The only success they had was on the pass interference when we had them stopped. And unless the films prove me wrong I think Darden made a great play.
