## Quotes

Don James

On Michigans Defense

269

"Their Defense was good, to get ~~XXX~~ yards in the first half was what most teams get against them in a game."

On Wash. playing up to potential

"I think we played close to potential. We would of liked to have had two more touchdowns."

On turning ~~point~~ point

"Our offense had confidence, but the team lost a little because of the way Michigan marched down the field in the 2nd quarter. At halftime our biggest concern was our defense."

About game in general

"I'm disappointed, it's not a hell of a lot of fun. We still have a bunch of great guys. I've become attached to these guys."

Bo Schembechler

"I'm very pleased, this football team has given all of us, coaches, fans a great thrill. We beat a great football team today. We thought they were the best team we faced all year, and they are."

"We didn't play well in the 1st half but we came in leading by a point. When your not playing well and still leading by a point, we knew it would come our way."

"We let Anthony Carter stand out there alone long enough."

Turning Point

"To take the 2nd half kickoff and drive down the field and get a field goal."

"This team has done more then any team we've had talent wise. Other teams have had more talent. This team is a team, has great seniors and great underclassmen. This team was a team. A true team in every respect."

ON FORWARD PASS"

"I love the forward pass. We were a little tight in the first half. I tried to loosen them up at the hotel. "
