COACHES QUOTES

COACH BO SCHEMBECHLER (on the game): "We must have had six major mistakes in the first half."

"I had suspicions we might have difficulty after Iowa. And the mistakes early in the game could have put us out of it."

(On mistakes): "Fortunately we kept our poise and tied them at the half. We were never down, but the Iowa loss made it difficult to maintain our emotional level. That factor could have led to all the turnovers."

"This game taught us a lesson. You had better be ready for every Big Ten game you play.

(On Harbaugh): "I thought Harbaugh played well. I think he's an exceptional quarterback, not just for raw talent, but for his tremendous competitiveness and 'smarts' on the field."

(On offensive line); "When Clay Miller went down, we were really hurting. Right now our offensive line is hurting and if we can get the two lineman back, we'll be in great shape."

(On Morris): "Morris acquitted himself well. He's a clever little back. We didn't play well in the first half, but we blocked better for him in the second half."

COACH BILL MALLORY (on the game): "We just got beat in the second half. In the first half I thought we played pretty well, our defense kept them really contained. In the second half, we couldn't do anything. Offensively we couldn't get anything going, and the defense stopped containing. Against a team like this we have to be as productive as we can. That first drive we could have had seven but we had to settle for three. You can't do that against a team like Michigan."

(On Harbaugh); "He's good. He played very well in the second half and hurt us with his scrambling. We'd have him and he'd get away. He made things happen himself. We had him a couple of times on third and short, but he got the first downs."

(On kicking game): "Our kicking game was pretty decent. Both our kicker and punter had good games. In the second half our coverage broke down and our tackling was atrocious."
