## **Michigan Head Coach Gary Moeller**

### **On The Game In General**

"You got sixty minutes to play and you've got to come out and play ball...We weren't playing a bad team, but I didn't think they'd do that to our defense."

### **On Scoring at the Beginning of the Second Half:**

"We blocked a little better and we caught them in a couple of things (over-shifting defenses)."

### **On The Winning Touchdown:**

"You can't allow them to score on a swing pass. They may have surprised us with that play, but again you can't throw that pass and score...No I didn't think they'd sit down and go for a field goal."

### **On Michigan's Decision to Go For the Touchdown to Tie the Game on the One yd Line:**

" At that point in the game, you have to match them point for point. "

### **On Michigan's Defense:**

"I don't think we tackled well but Penn State is a great offensive team. Yes, you get mad when you lose."

## **Penn State Head Coach Joe Paterno**

### **About Team's Performance:**

"We beat a great team, they put a lot of pressure on us and I was very pleased with our performance.

### **Concern at the Half:**

"I was extremely concerned about missed chances. I knew that Michigan wasn't bad and that they'd come out hard. I was very concerned at the half. "

### **On The Polls:**

"That's all up to you guys, I really don't care about polls, we've got five more tough games to play and the polls don't really matter. We just have to stay focused for our last five games. "

### **Comparison to 1982 Team:**

"We've still got five games left and we'll see. They've (his team) got a long way to go."

### **On the Defense:**

"I thought they played hard all game long and we didn't have any lapses. Michigan just played hard and played well. "
