[CaptNumbNutz](#) [Block User](#) I love how the main article on the iPad screen (at the beginning of the video) is regarding Marijuana. It happens to be indicative of the fact that you would have to be high as a kite to think this was a safe product. This guy rants about how it is safer while acting and sounding completely sober. Oh sweet irony. [33](#)

[jasonah26](#) [Block User](#) READING and driving- YEAH go for it- drink a beer along with it!!!! [2](#)

[autoobsarks](#) [Block User](#) Not really recommended for steering wheel with air bags

[jazzman31415](#) [Block User](#) I bought one of these thinking it would be good for reading the news on the way to work and I crashed into a tree on the third drive. I am not impressed. Where do I get a refund?

[Kevintaddeo](#) [Block User](#) YOU ARE A TOOL.. this is not only illegal, but it is SOOOO Unsafe.

[FreediverSBlocal](#) [Block User](#) what a fucking idiot

[DarkyBlue](#) [Block User](#) I know how you can get the news while driving safely. Turn on the radio station with the news feed on it.

[FerreiralovesFerrari](#) [Block User](#) This is sad.....

[Flonase69](#) [Block User](#) [@kalapea1](#) Your right , when they sue him, He will have to invent something else.

[jimeng2](#) [Block User](#) I got the steering wheel mount for our iPad six weeks ago, and I love it. I plunk the triplets down in the playpen in the back of the van, and I have a webcam pointed at them all the time. I can be reading Atlantic Monthly, watching the brats and motoring around in heavy traffic on I-294 or the Dan Ryan, all at the same time, with nothing to distract me. I don't know what I'd do without my steering-wheel-mounted iPad!

[YellowBannaKiller](#) [Block User](#) You must be high. Anything you do thats not paying attention to the road while driving is unsafe. If this is what this guy thinks is a good idea, he needs a wake up call

[arthol51](#) [Block User](#) Hey this is very funny :-)
