

UNIVERSITY LOWBROW ASTRONOMERS

The **University Lowbrow Astronomers** club is a diverse group of over 100 astronomers, ranging from amateur telescope makers to professional rocket scientists. The club is associated with the University of Michigan and consists of students, alumni, members of the university community and the community-at-large who meet on the third Friday of each month at 7:30pm in the Dennison Building on the University of Michigan campus. The **University Lowbrow Astronomers'** website is: www.umich.edu/~lowbrows/

The **University Lowbrow Astronomers** donate their time and expertise through outreach programs in the community.
