From Washtenaw Avenue, turn on Palmer Drive, proceed approximately 100 yards to the 2nd parking entrance on your left that is marked "Visitor Parking". Pull a ticket, (which is .80 per half-hour) and park on levels LL (lower level) and P1 (level 1). Upon exiting your vehicle, look for large metal Maize and Blue signs that read "East Elevators." Proceed towards the East Elevators (there are 3 sets of elevators in the structure: East, North and South) and follow the signs that list Palmer Commons. In the elevator, push the PL Level (Plaza Level) and exit onto

the outdoor plaza near the Life Science Institute entrance. You will see the pedestrian bridge straight ahead.
