About Us:

YHO is an MSA-registered, non-profit organization, established in April 2007 by four University of Michigan students who had a vision of reaching out to youth locally and internationally. Our goal is to establish sustainable volunteer sites to promote the health and education of underprivileged children.

Global Issue: **AIDS/HIV**

What we did?

In the summer of 2008, some of our members traveled to Anhui, China to get a first hand experience working with children who are affected by HIV/AIDs. Click here for details: <http://yhouchina.blogspot.com/>
